

Completing a Focus on Sound Task

In your Class Overview, you will see you have an assignment. Once you click on it, you should be taken to a page that looks like this:

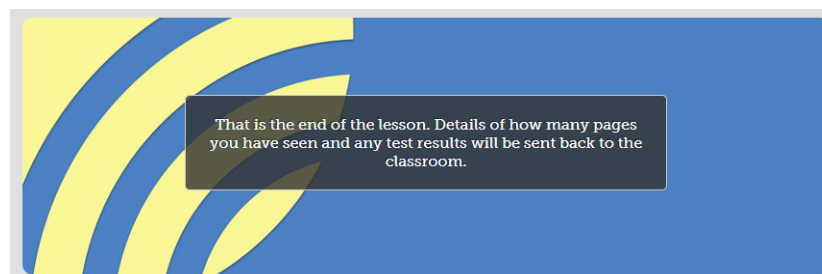

The screenshot shows a task assignment card. At the top left is the Focus on Sound logo. To its right, the text reads "Focus on Sound Task" and "Due: Fri, Jan 31st 11:59pm". On the right side of the card is a teal button that says "Open In Focus On Sound (US)" with an external link icon. Below this, the instruction reads "Complete the lesson on Dynamics and the subsequent quiz." At the bottom left, there is a teal speech bubble icon followed by the text "Comment To Teachers".

By clicking on "Open in Focus on Sound," you will be redirected to your lesson and/or quiz. Make sure to check the task description for any additional materials your teacher may have provided you.

Make sure you explore each of the pages and tabs (if there are two or more), before pressing the "Continue" option. **Your teacher can see if you skip.**

If you are completing a lesson, there will be a summary quiz at the end. Once completed, you will see your results and have the option to "Retry Mistakes" or "Retest Topic" in the upper right, although your original grade will be submitted to your teacher. When you are done, select "Continue."

You should see this message at the end signifying you have completed the lesson and redirect you back to your MusicFirst Classroom. You are all done!
